

Guidelines for Changing Your Dancer Ages 3-6 Show & Level 1 / 2 only

This is only for dancers who have costume changes

If your female dancer performs in 2 or more dances, a female parent or guardian is required to come backstage during both shows to assist with costume changing. ***Stage Stars Staff will assist with changing costumes at the dress rehearsal, so you do not need to come back during dress rehearsal.*** Please follow these guidelines to ensure this process runs smoothly.

1. Label all costumes, shoes, accessories etc. If a dancer changes tights, they may wear the second pair under the first pair.
2. Dancers with multiple classes will receive 2 wristbands in their packet, one for each show. After your dancers first number, please politely exit your row and go through the side door to gain access to the backstage area. If you are unsure where to go, please ask a staff member and we can assist you. You must show your wristband to get backstage during the shows. Please do not sit in the front row if you are changing costumes.
3. Once backstage, please quickly change your dancer and return to the auditorium to enjoy the show. You are not permitted to linger backstage as the show is running. A backstage mom will take your child to join their next class and make sure they are where they need to be. Please carefully hang and repack all accessories so your dancer doesn't lose any pieces!
4. As a courtesy to other audience members, please do not enter or exit the auditorium as a number is dancing. Wait until between numbers, as people are applauding.
